Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Slothilda is your spirit animal! Enjoy this completely relatable comic series about an adorable little sloth who's driven by her desire for self-improvement. Unfortunately, achieving her goals isn't always so easy. After all, she is a sloth, and being innately lazy often poses some interesting challenges to her personal growth. She constantly struggles to overcome procrastination, her love for junk food, and her addiction to modern day technology. Despite her lazy natural instincts, Slothilda remains ambitious and optimistic. She explores an inner conflict we can all relate to--the desire to succeed and grow, while paradoxically dealing with the ever present temptation to sloth.

"Black women's heads of hair are galaxies unto themselves, solar systems, moonscapes, volcanic interiors." --Elizabeth Alexander, from the Introduction Using advertising photographs of black women (and men) drawn from vintage issues of Ebony and Jet magazines, the exquisite and thought-provoking collages of world-renowned artist Lorna Simpson explore the richly nuanced language of hair. Surreal coiffures made from colorful ink washes, striking geological formations from old textbooks, and other unexpected forms and objects adorn the models to mesmerizingly beautiful effect. Featuring 160 artworks, an artist's statement, and an introduction by poet, author, and scholar Elizabeth Alexander, this volume celebrates the irresistible power of Simpson's visual vernacular.

"Inspiring, tragic, and at times heart-rendingly funny." --People Unsentimental, unexpectedly funny, and incredibly honest, Tragedy Plus Time is a love letter to every family that has ever felt messy, complicated, or (even momentarily) magnificent. Meet the Magnificent Cayton-Hollands, a trio of brilliant, acerbic teenagers from Denver, Colorado, who were going to change the world. Anna, Adam, and Lydia were taught by their father, a civil rights lawyer, and mother, an investigative journalist, to recognize injustice and have their hearts open to the universe--the good, the bad, the heartbreaking (and, inadvertently, the anxiety-inducing and the obsessive-compulsive disorder-fueled). Adam chose to meet life's tough breaks and cruel realities with stand-up comedy; his older sister, Anna, chose law; while their youngest sister, Lydia, struggled to find her place in the world. Beautiful and whip-smart, Lydia was witty, extremely sensitive, fiercely stubborn, and always somewhat haunted. She and Adam bonded over comedy from a young age, running skits in their basement and obsessing over episodes of The Simpsons. When Adam sunk into a deep depression in college, it was Lydia who was able to reach him and pull him out. But years later as Adam's career takes off, Lydia's own depression overtakes her, and, though he tries, Adam can't return the favor. When she takes her own life, the family is devastated, and Adam throws himself into his stand-up, drinking, and rage. He struggles with disturbing memories of Lydia's death and turns to EMDR therapy to treat his post-traumatic stress disorder when he realizes there's a difference between losing and losing it. Adam Cayton-Holland is a tremendously talented writer and comedian, uniquely poised to take readers to the edges of comedy and tragedy, brilliance and madness. Tragedy Plus Time is a revelatory, darkly funny, and poignant tribute to a lost sibling that will have you reaching for the phone to call your brother or sister by the last page.
