"In My First Look at French, beginning readers follow the narrative of a French-speaking character through a typical day. Labels on real-life photos introduce common French words. Each label lists the English word, as well as the French word and its pronunciation. An introduction gives more insight into the language, and a guide at the beginning of the book teaches readers and caregivers how to navigate the book's features. Translations of colors, numbers, and common phrases further teach readers useful French language terms. This book also features reading tips for teachers and parents, a table of contents, and an index. My First Look at French is part of Jump!'s First Look at Languages series"--
