# Read Free A Year Of Good Beer Page A Day Calendar 2017

Each chapter begins with a description of a beer style, with recipes for every level of brewer—from extract to all-grain.

No ordinary collection of must-taste beers, *A Beer a Day* looks to unearth the links between beer and the world we live in—our history, traditions, customs, and culture. Readers are guided through the maze of labels, selecting beers that don't just taste great, but also have a story to tell. The simple page-a-day diary format includes an easy reference for the beer, its country of origin, the day's date, and its linked event. For each day, a beer is recommended that draws attention to events that have taken place or that still take place on that day. From seasonal beers produced to celebrate such occasions as Valentine's Day and Halloween, to those honoring the good and the great from history, *A Beer a Day* has a beer for every story and a story for every beer.

As a journalist spurred by curiosity and thirst, Lucy Burningham made it her career to write about craft beer, traveling to hop farms, attending rare beer-tasting parties, and visiting as many taprooms, breweries, and festivals as possible. With this as her introduction, Lucy decided to take her relationship with beer to the next level: to become a certified beer expert. As Lucy studies and sips her way to becoming a Certified Cicerone, she meets an eclectic cast of characters, including brewers, hop farmers, beer sommeliers, pub owners, and fanatical beer drinkers.

Her journey into the world of beer is by turns educational, social, and personal—just as enjoying a good beer should be.

Averaging 281 pints of ale per capita per year, the Czech Republic is far and away the world's leader in beer consumption. As this handy guidebook of beer shows, Czechs are equally expert in brewing beer as well. Listings and analyses are provided of all the major Czech beers as well as lesser-known brews that are only available within the country, from the highly alcoholic X-33 to the unique, nonpasteurized version of Pilsner Urquell. A guide is also offered to the top pubs, breweries, and drinking holes across the nation, as well as to such unique locations as the Chodovar brewery, which offers full-body beer baths, and the Pelhrimov brewery, which hosts free, open-air rock concerts. Filled to the brim with history, trivia, information on inns and accommodations, and extensive backstories, this is an essential resource for beer lovers and world travelers alike.

For everything there is a season — and beer is no exception. Best-selling author Randy Mosher leads you on a delicious tour of beer-tasting opportunities throughout the year, guiding you through all the best seasonal beer releases and festivals. Discover which beers are best to drink on warm spring afternoons or icy winter nights, and learn to make the most out of Craft Beer Week and Oktoberfest. Fun, fresh, and full of insider information, *Beer for All Seasons* will have you enjoying the varied delights of your favorite beverage year-round.

In addition to hundreds of amazing beer facts and trivia, this compendium also offers serious and authoritative information about where to buy the best tasting brews, homebrewing, beer festivals, and more. Illustrations.

As the place where American microbrewing was born, the West Coast has become the epicenter of a brewing revolution. America is now home to more beer styles than anywhere else in the world and our flourishing brewing industry has a growing reputation for quality and innovation. This authoritative and entertaining guide to the breweries, brewpubs, and bars of the West Coast, Alaska, and Hawaii, is written by two experienced British beer writers who have spent considerable time traveling in the U.S. and developing an infectious enthusiasm for our exciting beers and brewing scene. Also included are sections on West Coast history, American brewing, and the story of the brewpub.

Author Ray Daniels provides the brewing formulas, tables, and information to take your brewing to the next level in this detailed technical manual.

The man behind Mikkeller brewery offers his guide to the best beers. Discover how he got started in the business, and learn about the ever-growing Nordic beer revolution with its fascinating origins. Then find out everything you have ever wanted to know about this highly versatile drink with an in-depth look at various beer types and the intrinsic differences between them. Drawing on his years of experimenting with tastes, textures and techniques in the art of beer

## Read Free A Year Of Good Beer Page A Day Calendar 2017

brewing, Mikkel offers you his own extraordinary insights into the processes behind your favourite beers. Starting with the basics, discover how to make beer at home with easy-to-follow recipes that cover many of the sought-after brews that Mikkeller and his friends have become known for. In addition to this, learn about how to taste beer and understand its flavours. With a chapter dedicated to food, Mikkel offers an alternative to wine with meals and teaches us which beers work best with what foods, as well as providing us with a few tasty recipes of his own.

The Complete Idiot's Guide to Beer Tasting will provide readers with a comprehensive introduction to understanding and enjoying the vast styles and complex characteristics of beer. Understanding and enjoying beer is no longer a simple process, as beer has gone from a world of relatively small offerings from major brewers to a universe of literally hundreds of unique styles from craft brewers around the world. Like wine, the taste and subtle characteristics of beer can be affected by a number of different components including the brewing style, the yeasts and hops that determine taste and character, how the various grains are used in brewing, and more. The Complete Idiot's Guide to Beer Tasting is not a guide to brewing, it's a guide to tasting, understanding, and enjoying what has become a complex and often confusing process of enjoying one of the world's oldest beverages. Readers will learn the brewing process and how it can affect a beer, how to recognize tasting notes and aromas, how to identify unique styles, how to taste and enjoy them properly; even how to select the right glassware and serving temperature for maximum enjoyment.
