As an undergraduate I wolfed the book down in one afternoon, but found it much heavier going this time, especially during the shaggy-doggiest sections between the narratives.

“Calvino . . . managed effortlessly what no author in English could quite claim: his novels and stories and fables were both classically modernist and giddily postmodern, embracing both experiment and tradition, at once conceptual and humane, intimate and mythic.” — Jonathan Lethem, New York Times Book Review

Blending reality and illusion with elegance and precision, the stories in this collection take place in a World War II-era and postwar Italy tinged with the visionary and fablelike qualities. A trio of gluttonous burglars invades a pastry shop; two children trespass upon a forbidden garden; a wealthy family invites a rustic goatherd to lunch, only to mock him. In the title story, a compact masterpiece of shifting perspectives, a panicked soldier tries to keep his wits—and his life—when he faces off against a young partisan with a loaded rifle and miraculous aim. Select stories from *Last Comes the Raven* have been published in translation, but the collection as a whole has never appeared in English. This volume, including several stories newly translated by Ann Goldstein, is an important addition to Calvino's legacy.

In a collection of stories written during the 1940s and 1950s, the author captures moments of revelation in the lives of ordinary people, instants blending recognition and alarm as deceptions and illusions are laid bare

A deeply affecting debut novel set in Trinidad, following the lives of a family as they navigate impossible choices about scarcity, loyalty, and love WINNER OF THE DESMOND ELLIOTT PRIZE • “Golden Child is a stunning novel written with force and beauty. Though true to herself, Adam's work stands tall beside icons of her tradition like V.S. Naipaul.”—Jennifer Clement, author of *Gun Love Rural Trinidad*: a brick house on stilts surrounded by bush; a family, quietly surviving, just trying to live a decent life. Clyde, the father, works long, exhausting shifts at the petroleum plant in southern Trinidad; Joy, his wife, looks after the home. Their two sons, thirteen years old, wake early every morning to travel to the capital, Port of Spain, for school. They are twins but nothing alike: Paul has always been considered odd, while Peter is widely believed to be a genius, destined for greatness. When Paul goes walking in the bush one afternoon and doesn't come home, Clyde is forced to go looking for him, this child who has caused him endless trouble already, and who he has never really understood. And as the hours turn to days, and Clyde begins to understand Paul's fate, his world shatters—leaving him faced with a decision no parent should ever have to make. Like the Trinidadian landscape itself, *Golden Child* is both beautiful and unsettling, a resoundingly human story of aspiration, betrayal, and love. Praise for *Golden Child* “In fluid and uncluttered prose, *Golden Child* weaves an enveloping portrait of an insular social order in which the claustrophobic support of family and neighbors coexists with an omnipresent threat from the same

corners.”—The New York Times Book Review “[A] powerful debut . . . a devastating family portrait—and a fascinating window into Trinidadian society.”—People “[An] emotionally potent debut novel . . . with a spare, evocative style, Adam (a Trinidad native) evokes the island’s complexity during the mid-'80s, when the novel is mostly set: the tenuous relationship between Hindus like Clyde’s family and the twins’ Catholic schoolmaster, assassinations and abductions hyped by lurid media headlines, resources that attract carpetbagging oil companies but leave the country largely impoverished.”—USA Today

“The thought . . . called up the flavors of an elaborate and bold cuisine, bent on making the flavors’ highest notes vibrate, juxtaposing them in modulations, in chords, and especially in dissonances that would assert themselves as an incomparable experience.” — From *Under the Jaguar Sun*

These intoxicating stories delve down to the core of our senses of taste, hearing, and smell. Amid the flavors of Mexico’s fiery chiles and spices, a couple on holiday discovers dark truths about the maturing of desire in the title story, “Under the Jaguar Sun.” In “A King Listens,” a gripping portrait of a frenzied mind, the menacing echoes in a huge palace spur a tyrant’s thoughts to the heights of paranoid intensity. “The Name, the Nose” drives to a startling conclusion as men across time and space pursue the women whose aromas have enchanted them. Mordant and deliciously offbeat, this trio of tales is a treat from a master of short fiction. “[Calvino is] a learned, daring, ingeniously gifted magus . . . Under the Jaguar Sun . . . fuses fable with neuron . . . The reader is likely to salivate.” — Cynthia Ozick, *New York Times Book Review*

Adam Levin's debut novel *The Instructions* was one of the most buzzed-about books of 2010, a sprawling universe of "death-defying sentences, manic wit, exciting provocations and simple human warmth" (*Rolling Stone*). Now, in the stories of *Hot Pink*, Levin delivers ten smaller worlds, shaken snow-globes of overweight romantics, legless prodigies, quixotic dollmakers, Chicagoland thugs, dirty old men, protective fathers, balloon-laden dumptrucks, and walls that ooze gels. Told with lust and affection, karate and tenderness, slapstickery, ferocity, and heart, *Hot Pink* is the work of a major talent in his sharpest form.

"A teen's suburban neighborhood bands together for its own survival in a world stricken by a catastrophic blackout"--

The highly anticipated sequel to the *New York Times* bestselling and critically acclaimed *If I Stay* Picking up several years after the dramatic conclusion of *If I Stay, Where She Went* continues the story of Adam and Mia, from Adam's point of view. Ever since Mia's decision to stay - but not with him - Adam's career has been on a wonderful trajectory. His album, borne from the anguish and pain of their breakup, has made him a bona fide star. And Mia herself has become a top-rate cellist, playing in some of the finest venues in the world. When their respective paths put them both in New York City at the same time, the result is a single night in which the two reunite - with wholly satisfying results. And don't miss Gayle's newest novel, *JUST ONE DAY* and the forthcoming companion, *JUST ONE YEAR*.
