Amazon.co.uk: Carlo Ancelotti: Books

The entertaining, revealing, and controversial bestselling autobiography of one of the most respected figures in the world of soccer. Carlo Ancelotti is one of only six people to have won the Champions League—European soccer ' s most coveted trophy—as both player and coach.

Carlo Ancelotti - Amazon.co.uk

Carlo Ancelotti has won football's ultimate prize, the Champions League, a record five times - twice as a player and three times as a manager. Born in Reggiolo, Italy, he was a midfielder for AS Roma and AC Milan, and played for Italy at the 1990 World Cup. He has coached clubs including Parma, Juventus, AC Milan, Paris Saint-Germain, Real Madrid and Chelsea (winning the 'Double' in 2010).

Carlo Ancelotti books and biography | Waterstones

No-one knows more than Carlo Ancelotti about what he calls “ managing the madness ” . On one hand, he has dealt with the monstrous expectations of billionaire owners, from Silvio Berlusconi to Roman Abramovich.

Quiet leadership by Carlo Ancelotti - book review

Whether Carlo has written this or has been greatly helped by his 'Ghost'..this is by far one of the best and at times most humorous football autobiographies I've read. Carlito's (sic) his name throughout is a great racontour and is equally happy laughing at himself as taking the michael out of others.

A new, updated edition of the most comprehensive collection of iconic soccer uniforms from around the world, featuring more than 1,000 illustrations representing 100 countries and 500 major teams. This massively illustrated and comprehensive volume presents and explains the team shirts worn by the world's leading soccer clubs and national teams from one hundred countries over the past one hundred years. In addition to detailing the colorful histories behind each shirt, the book also highlights the personalities and players behind historic matches and celebrates iconic victories and goals. Find out why the Italian national team chose blue as their color, why the U.S. women's team boasts four stars on their jersey, the relationship of Vasco da Gama to the colors of the Portuguese team, and what the patterns on the South African shirt signify. Ever since the game began, the colors of each team have been of paramount importance, creating a unique visual identity for each club and a strong sense of allegiance among fans. Millions of replica shirts have been bought by fans to show support for their teams and star players, and this book is sure to appeal to soccer's legions of enthusiasts.

THE NO.1 BESTSELLER! 'I read it in one sitting, it's a superb book' Eamon Dunphy, *The Stand*
'An astonishing exposé' Martin Ziegler, *The Times* Over the course of fifteen years, John Delaney ran the Football Association of Ireland as his own personal fiefdom. He had his

Acces PDF Carlo Ancelotti Book

critics, but his power was never seriously challenged until last year, when Mark Tighe and Paul Rowan published a sequence of stories in the Sunday Times containing damaging revelations about his personal compensation and the parlous financial situation of the FAI. Delaney's reputation as a great financial manager was left in tatters. He resigned under pressure, and the FAI was left hoping for a massive bail-out from the Irish taxpayer. In *Champagne Football*, Tighe and Rowan dig deep into the story of Delaney's career and of the FAI's slide into ruin. They show how he surrounded himself with people whose personal loyalty he could count on, and a board that failed to notice that the association's finances were shot. They detail Delaney's skilful cultivation of opinion-formers outside the FAI. And they document the culture of excess that Delaney presided over and benefited from, to the detriment of the organization he led. *Champagne Football* is a gripping, sometimes darkly hilarious and often enraging piece of reporting by the award-winning journalists who finally pulled back the curtain on the FAI's mismanagement. _____ 'Excellent' Irish Sun 'A jaw-dropping story ... brilliant' Irish Times 'Essential reading' Irish Daily Star 'Astonishing ... Side-splittingly hilarious' Guardian 'A damning account' Sunday Independent 'An instant classic, one of the all-time great Irish sports books' Alan English 'Excellent ... includes staggering detail' Daily Mail 'A cracking read ... [An] incredible amount of jaw-dropping detail' Matt Cooper 'The most important Irish sports book of the year' Irish Daily Mail 'One of the most hotly-anticipated sport books of the year' Brendan O'Connor 'A masterpiece' Tommy Martin 'An absolutely extraordinary book' Eoin McDevitt, *Second Captains* 'Remarkable. The desperate story of Irish football but also a book about how Ireland works. Outstanding' Dion Fanning

A delightful gift pack containing Spot's First Walk, in which Spot goes out on his own to explore the garden, and a soft plush Spot toy.

A game-changing model for giving effective feedback to peers, employees, or even your boss--without offending or demotivating. How are you supposed to tell someone that they're not meeting expectations without crushing their spirit? Regular feedback, when delivered skillfully, can turn average performers into the hardest workers and stars into superstars. Yet many see it as an awkward chore: Recent studies have revealed 37% of managers dread giving feedback, and 65% of employees wish their managers gave more feedback. This trail-blazing new model eliminates the guesswork. Dr. Therese Huston, the founding director of the Center for Excellence in Teaching and Learning at Seattle University, discovered that the key to being listened to is to listen. First, find out what kind of feedback an employee wants most: appreciation, coaching, or evaluation. If they crave one, they'll be more receptive once their need has been satisfied. Then Huston lays out counterintuitive strategies for delivering each type of feedback successfully, including:

- Start by saying your good intentions out loud: it may feel unnecessary, but it makes all the difference.
- Side with the person, not the problem: a bad habit or behavior is probably less entrenched than you think.
- Give reports a chance to correct inaccurate feedback: they want an opportunity to talk more than they want you to be a good talker.

This handbook will make a once-stressful ordeal feel natural, and, by greasing the wheels of regular feedback conversations, help managers improve performance, trust, and mutual understanding.

Football lies at the heart of popular culture in both England and Italy. It is played, watched, written about and talked to death by millions virtually every day of the year. But how do the characteristics of England and Italy affect the game in these two footballing nations? Do the national stereotypes of Italians as passionate, stylish lotharios and the English as cold-hearted eccentrics still hold true when they kick a ball around? In *The Italian Job*, for the first time, a footballer of the first rank, Gianluca Vialli, in conjunction with sportswriter and broadcaster Gabriele Marcotti, tackles this debate head on. Uniquely positioned across both the English and the Italian games, they provide a fascinating and highly controversial commentary on where football is now and where it's headed. And they have invited some of the biggest names in the sport to join in their discussion. Sir Alex Ferguson, Jose Mourinho, Arsene Wenger, Sven Goran Eriksson, Fabio Capello and Marcello Lippi, amongst others, add their not inconsiderable weight to the highest-profile symposium on football ever convened. Gianluca Vialli and Gabriele Marcotti explore every aspect of football, be it tactical and technical or cultural and sociological. Stuffed full of controversial opinions and gripping revelations, *The Italian Job* takes you on a journey to the very heart of two of the world's great footballing cultures.

In this unique book, one of football 's greatest cult players reflects on the travails of the sport and draws upon his own experience to offer an honest assessment on one of its final
