Climbing up the Rough Side of the Mountain is the autobiography of a man from Jamaica who fought with the RAF in WWII, returned home, and then came back to England on HMT Empire Windrush, on that seminal day 22 June 1948. The passengers of that ship are now world famous and known as the Windrush pioneers. This man, Sam King, went on to become a councillor and then Mayor of Southwark.

More than just the story of the meeting of the fortunes of one man and two nations, this is an exploration of personal and cultural history and of belonging - a gracious and revealing account of determination, honesty and faith, of achievement, experience and of the importance of preserving memories for posterity ".....In Climbing Up the Rough Side of the Mountain, Sam King, co-founder of the charitable Windrush Foundation, recalls life on board: the trepidation in the eyes of his countrymen ...

Climbing Up the Rough Side of the Mountain by King, Sam ...

You have to create spaces for your feet and it's hard to control your movements. The rough side, however, has nubby little patches and craggy spots that allow you to grab hold as you climb up or down. The big craggy spots even allow a resting place should you need to catch your breath. All those years, the song that seemed so sad and depressing became bright and shiny. Oh yea, I was choosing the rough side.
