Multiple choice questions (MCQs) in the past were the most common modality by which medical students were examined. Although able to test a broad range of topics and being cost efficient for marking purposes, MCQs have largely been abandoned in favour of extending matching questions (EMQs) and more recently the single best answer (SBA) question format.

The purpose of this book is to guide students in answering MCQs which are a part of examination in various universities, postgraduate entrance test and other competitive examinations. About the Author : - GPI Singh Professor and Head, Department of Community Medicine, Dayanand Medical College and Hospital, Ludhiana, Punjab, India. Sarit Sharma is Assistant Professor, Department of Community Medicine, Dayanand Medical College and Hospital, Ludhiana, Punjab, India.

Authored by an eminent, highly qualified and greatly experienced teacher and examiner in the discipline, this book is to empower UG students to prepare for examination (as a revision book). With retained comprehensiveness of the content and interesting presentation, the aim is to strengthen both the aspects - (i) undergo the examination successfully and (ii) understand the basics of the subject. - Covers complete MBBS syllabus of the subject through 29 chapters, dividing each chapter into 4 sections: o 3-6 Long Questions, duly solved in a simple and lucid manner. o 7-10 Short Notes, duly answered. o 10-20 MCQs, with answers. o 7-10 Viva Questions with answers. - Addresses various aspects of practical examination, in the form of epidemiological exercises, biostatistical exercises, medico-social case taking procedure, and entomology. - Presents chapters on Epidemiology and Biostatistics in a very elaborate and simplified manner to enable students to understand the concepts well.

This book fulfills the unmet need of quick review question answer book and at the same time cover the entire syllabus of Community Medicine, spread over 30 chapters. Each chapter has 1 or 2 solved long questions, 8 to 10 solved short notes, viva voce and MCQs related to that chapter. These long / short questions cover the complete syllabus laid down for that chapter by Medical Council of India / reputed medical universities, thus giving the student adequate and complete knowledge of the subject, besides enabling them to effectively undertake a quick & comprehensive exam preparation. The answers to long questions, short notes are crisp, though at the same time, containing all essential details. In this new edition digital assets are also included.

Companion volume to: Mayo Clinic internal medicine board review. 10th ed. c2013.

• What causes hypertension in children? • Is it common for epileptic patients to have post-ictal vomiting? If so, how often does this occur? • Why is the incidence of parkinsonism less common in smokers? • What is the role of urine examination in diabetic control? Where do you turn to when you have a difficult medical question that needs answering? The 'Ask the Author' online feature from the best-selling textbook Kumar & Clark's Clinical Medicine has collected a wealth of questions and comments directly from medical students and doctors about topics that are of particular interest or difficulty to them. Kumar and Clark have brought together over 1000 of the questions they have been asked along with their answers. It will appeal to the many fans of Kumar & Clark, from first-year students to practising doctors, and will provide a useful and interesting sounding board to help ensure best practice. This unique book will provide you with a quick and easy way to discover the answers to your own medical questions...! The writing style is appealing and conversational, designed to entertain as well as instruct. Carries the 'Kumar & Clark' stamp of authority. All questions fully indexed for ease of reference. Covers topics that are easily misunderstood in medicine – good preparation for medical students, senior house officers/interns and specialists in training/residents preparing for written or oral exams.

Single Best Answer (SBA) examinations are an increasingly popular means of testing medical students and those undertaking postgraduate qualifications in a number of subject areas. Written by a final year medical student, junior doctors and experienced clinicians, 500 Single Best Answers in Medicine provides invaluable guidance from authors who unde
