Basic guitar chords are open chords like C major, D major and F major. These are the very first chords guitarists learn because their fingering is simple and straightforward, and they're played at the very first fret of the guitar. These chords are also the most commonly used chords in popular music. C major This is arguably the most common chord of all-time. This is the C major chord, or the C...

What I would like you to do is stop reading for a second, pick up your guitar and play me your favourite strum pattern. Then come back and read the rest. What often happens when I ask a student to play me a strum pattern is, I either get a blank look and they say they don't know any, or they give me a blank look, think of a song in their head and then play the strum pattern from that song.
