Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

The purpose of the federal Family and Medical Leave Act (FMLA) is to help employees balance the demands of work and family. But the law can be hard for employers to apply in the real world. Questions about eligibility, coverage, notice and certification requirements, administering leave, continuing benefits, and reinstatement can challenge even the most experienced managers. This book has the plain-English answers to all of your tough questions about the FMLA. It provides detailed information, real-life examples, sample forms, and other tools to help you meet your legal obligations. The 5th edition covers all the latest updates on the FMLA, including rules for same-sex couples, new cases explaining the application of the FMLA, state paid family leave laws, and more.

Regional health care databases are being established around the country with the goal of providing timely and useful information to policymakers, physicians, and patients. But their emergence is raising important and sometimes controversial questions about the collection, quality, and appropriate use of health care data. Based on experience with databases now in operation and in development, Health Data in the Information

Age provides a clear set of guidelines and principles for exploiting the potential benefits of aggregated health data--without jeopardizing confidentiality. A panel of experts identifies characteristics of emerging health database organizations (HDOs). The committee explores how HDOs can maintain the quality of their data, what policies and practices they should adopt, how they can prepare for linkages with computer-based patient records, and how diverse groups from researchers to health care administrators might use aggregated data. Health Data in the Information Age offers frank analysis and guidelines that will be invaluable to anyone interested in the operation of health care databases.

The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

In our increasingly litigious society, an employer faces risks in failing to document each and every personnel action. Employment Forms and Policies, Seventh Edition with accompanying eBook saves time and will make your job easier by offering a collection of almost two hundred sample forms and model policies covering all phases of the employment relationship, from writing job descriptions to terminating employment. In addition to the sample forms, author Maureen Moore gives expert legal commentary and suggestions for developing your own system. With these features plus regular supplements, you will be fully prepared to handle even the thorniest issues, such as drug testing, ADA compliance, and sexual harassment.
