also saw action in Northern Ireland, in the Falklands War, and in the Gulf campaign. From his early days in the Paras to his time as Regimental Sergeant-Major in the Gulf, he has lived and fought by the motto 'Who Dares Wins'. Eye of the Storm is his insider's account of that exceptional career.

Fastpaced, earthy, dramatic, funny, occasionally disturbing, it is laced with firsthand descriptions of ferocious and bloody fighting, sudden death and incredible heroism, and peopled with a cast of extraordinary individuals. Beyond that, however, it corrects many of the distortions and exaggerations of other books, and explodes several long-standing myths about the Regiment. Here - at last - is the authentic voice of the SAS. This enhanced edition contains additional audio and text material: - Audio Recording of an SAS Firefight in Oman, 1973 - The Little Book of SAS by Peter Ratcliffe, an extensive glossary of SAS terms

Chosen chairman of Bank of America in 2009, Walter Massey is the first banking insider to reveal the inner workings behind the country's worst financial crisis in 2008. Although a global financial meltdown occurred a dozen years later, it was triggered by

Covid-19—a global pandemic. But the earlier catastrophe had been precipitated by a downturn in the U.S. housing market followed by large bank losses, excessive risk taking, and the concomitant greed and fraud that were cronies of that stressful macroeconomic environment. Still, Walter E. Massey's intimate memoir is more than a revelation about those perilous years of the American economy. A successful professional whose achievements embody a startling range of aptitudes, he gives the reader a remarkably personal record of how a black boy from Hattiesburg, Mississippi who entered Morehouse College at age 16 on a special Ford Foundation program, was able to reach those heights. Through flashbacks, Massey describes how his earlier leadership positions prepared him for the unexpected challenges he faced at the bank. They had all been learning experiences—from director of the Argonne National Laboratory, director of the National Science Foundation, president of Morehouse College, and currently president and chancellor of the School of the Art Institute of Chicago. Comprehensive, intimate, and revealing, his is an eloquent testimony to how one succeeds by accepting challenges, forging alliances, and maintaining personal integrity. At the end of it all, he hopes that readers will find his story encouraging enough to push ahead toward their goals and not be daunted by the seeming enormity of the task.

Appleby Island, once the magnificent home of a tycoon and planter, is a place of history and mystery in the Sacramento delta. Its story includes hints of tragedy, fueling rumors that ghosts still walk its derelict orchards. Now Patsy McCone, her new lover, and a group of investors are turning the old mansion into an elegant bed and breakfast. Summoned by her eccentric younger sister, San Francisco's number one PI Sharon McCone arrives in the teeth of a gale, taking a busman's holiday to investigate mysterious acts of vandalism that are running the project to ruin. But when simple sabotage escalates to savage murder, she finds herself trapped on the island with a desperate killer—and flung into a raging storm of treachery, violence, and sudden death.

Sam and Callum are still stranded in the parallel world, having been pulled across by the dangerous energy of the Bermuda Triangle. Now they've found Sam's mum they are desperate to find a way home... at any cost. Meanwhile Niamh is convinced that her brother is alive and not dead as the authorities suspect, but she needs to find out what really happened to the boys before her father is convicted of their murder.

"Barcelona, the cultural epicenter of

Catalunya, is presently experiencing the most dynamic and polemical period in its modern theater history. It is the commanding hub of an energetic theater scene that in recent years has witnessed an exuberant outpouring of new dramatists, a steady crescendo in theater attendance, and a continual increase in the international presence of Catalan directors, playwrights, and companies. Barcelona's post-Olympian cultural landscape, moreover, comprises several architecturally striking theater projects. The diversity of opportunities to stage plays in Catalan at an assortment of city spaces is unprecedented, ranging in variety from commercial locales to publicly funded stages to experimental "alternative" venues. Since its origins in the nineteenth century, modern Catalan drama has frequently exhibited a cosmopolitan and even transnational impulse, engaging in an artistic dialogue with international theater traditions of both past and present and forging its identity vis-a-vis its intercultural associations. The path along which the contemporary Catalan theater scene has struggled to recover and reconstitute the professional legitimacy and visibility that it lost during the Franco dictatorship has been a complex process, never lacking in melodramatic excess, witnessed both on and off the stage. The Barcelona stage, throughout its contemporary evolution, has been immersed in a stormy climate, whose relentlessly frenetic atmospheric activity at

times may impede one from acquiring the distance necessary to see beyond the hurricane." --Book Jacket.

In the wake of a terrible loss, Rain is left alone to bear the Hudson family secrets -- as dark and forbidding as storm clouds on the horizon... After the death of her beloved Grandmother Hudson, Rain found herself caught in a battle for the vast Hudson family wealth. Marked to inherit millions, Rain faced the fury of her unaccepting mother, her manipulative stepfather, and her cold, vicious Aunt Victoria. But no amount of money can keep Rain's world from crashing down when sudden tragedy strikes. Left helpless after a devastating blow, Rain sinks into despair as her precious dreams are washed away...dreams that cannot be bought with the Hudson fortune. Her only hope for rebuilding her life rests in trusting a stranger who has come into her world -- a man whose generosity and kindness does not appear to come with strings attached, much to Rain's amazement. But just as she opens her heart to a promising new future, her past comes back to haunt her -- and Rain is pulled into a furious whirlpool of bitterness and heartache.

June 1944. In the immediate aftermath of the Normandy landings, chaos reigns and lives are irrevocably disrupted. At the Ferme de la Source, an isolated farm close to the front

line, Martine battles to keep her animals fed, and shelter her German boyfriend, torn between his love for Martine and fear of his SS superiors, notably Obersturmbannfuhrer Jochen Peiper. On the south coast of England, meanwhile, Colonel David Clarke is preparing his troops for the last stage of the Allied invasion, the assault on Caen. At home, in her Sussex cottage, his pretty young wife Gwen, assuages her loneliness with a friendship - but one she may learn to regret. As the battle rages, in the air and on the ground, passions are ignited and loyalties are strained. Ultimately, though, honour will prevail...
