Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word "Allah" to refer to the Creator. Edition (B) uses the word "God". Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The

messenger of Allah said to them, "This is the she-camel of Allah, so let her drink." 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

It is clear in every page of this brilliant work that it was written from a heartfelt perspective. A must read for every student of life, love, spirituality, and of course the Quran."--Whitney Cannon, founder Taleef Collective, Fremont, California.

An accessible and accurate translation of the Quran that offers a rigorous analysis of its theological, metaphysical, historical, and geographical teachings and backgrounds, and includes extensive study notes, special introductions by experts in the field, and is edited by a top modern Islamic scholar, respected in both the West and the Islamic world. Drawn from a wide range of traditional Islamic commentaries, including Sunni and Shia sources, and from legal, theological, and mystical texts, The Study Quran conveys the enduring spiritual power of the Quran and offers a thorough scholarly understanding of this holy text. Beautifully packaged with a rich, attractive two-color layout, this magnificent volume includes essays by 15 contributors, maps, useful notes and annotations in an easy-to-read two-column format, a timeline of historical events, and helpful indices. With The Study Quran, both scholars and lay readers can explore the deeper spiritual meaning of the Quran, examine the grammar of difficult sections, and explore legal and ritual teachings, ethics, theology, sacred history, and the importance of various passages in Muslim life. With an introduction by its general editor, Seyyed Hossein Nasr, here is a nearly 2,000-page, continuous discussion of the entire Quran that provides a comprehensive picture of how this sacred work has been read by Muslims for over 1,400 years.

The author have successfully produced a book that will enable anyone seeking to learn and recite verses from Quran - ultimately enable one to perform daily salat (prayer) in no time. This is most suitable for parents teaching young children, teachers in schools or any non-Arabic readers! Also included are snippets of Quranic translation from other Juz', line by line meaning and its transliteration, Arabic letters table and phonetic guide all compacted into one well written guidebook. Worth noting that the scope in this book is limited to only first surah (Al-Fatiha) and last few surahs from Juz' 30; as the author firmly believes mastering these chapters will be crucial as a starting point for beginners before exploring other surahs in the holy Quran.

This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'Ilaj bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahtani, Safar, 1409

What is this Book? Quranic Arabic book #4. is the 4th in a five-book series aimed at Arabic as a Second Language for advanced level. Objectives include: moving further beyond implementing reading skills learned in level 2 (all about Nouns) and level3 (all about verbs) to learning types of particles and meaningful letters beside grammar rules, and sentence structure. The curriculum used in the book provides adding to the student's knowledge of Arabic tools and style types and properties. How does it work? the process of learning the components of the sentence will be completed in Chapter one of this book. in chapter two the process of learning the curriculum methodology will be completed. The methodology used in the book's curriculum is based on a unique analysis and categorization of the Arabic nouns and verbs, considering the basic form verb as the root to all types of verbs and nouns. Students will learn step by step to get the result, all based on the equation (roots+letters=multiple verbs conjugations) to implement the curriculum methodologies. We analyze the way verbs are structured, then we break down the conjugations to the basic form verb/roots. The book contains a dictionary of meaningful words, presented with translation, images, and words' locations in the Quran. The translation of each word is concluded from many scholars' lectures and analyses. *Note This book will never claim to provide the precise interpretation of the Quran, as the profound characteristic of the Quranic words and letters are wide opened, allowing rooms for multiple interpretations, and only God the mighty knows the exact meaning of each word in his book (the Holy Quran) Why this book?-This book acts as a dictionary for Quranic terms, by providing their exact location within the Quran by surah and ayah number. -It also acts as a textbook and a workbook. It sets rules to avoid grammar and spelling errors, as well as promote engagement by providing plenty of worksheets and coloring

activities. -The integration between learning the Arabic language and Quranic knowledge are on track during the learning process. -The book is using exclusively words and sentences from Quranic Verses/Ayat, teaches reading skills as-well-as the meaning of each word. -Connecting the learners with the Quranic terms to emphasize the comprehending of the Quranic vocabularies the sentences and words used are exclusively from the Quran, providing a direct link between Arabic vocabulary, grammar, and the Quranic sentences (Ayat). -The grammars and rules are constructed from texts and sentences in the Quran, unlike the conventional grammatical terms and rules of the Arabic Language. What did they say? Book reviews Ayesha Bhabi recommends Quranic Arabic Course/ Edmonton I highly recommend Suzan's course without a shadow of a doubt! No prior knowledge of Arabic is required; as you start from the alphabet and work your way through Arabic grammar, syntax, and dictionary. The amount of hard work and dedication that Suzan has put into her curriculum shows in the incredible detail her books offer. I am currently on Book 2 and am already able to glean the meaning of many different words and phrases from the Quran. Suzan is a patient instructor who will answer any questions without judgment and helps students learn at their own pace. I am so glad I found her course!
