Mustafa Ozbilgin and Ahu Tatli Palgrave Macmillan, 2008. Through the concept of global diversity management, Ozbilgin and Tatli offer an insight into the study and practice of equality and diversity management that will appeal to both the needs of diversity specialists and the interests of academics. The authors present diversity management as both multi-tiered and interrelated at the global, national, sectoral and organizational levels.

Pressestimmen. "Ozbilgin and Tatli have put the global into diversity management by providing insight into the way cross-national approaches and the nature of an international labour force impact on organisational strategies. This provides an important addition to the literature on diversity management and will be of value to practitioners and students of equality and diversity alike."--Geraldine Healy, Queen Mary, University of London, UK.
