The Intel SSD D7-P5510 features the company's latest NAND flash memory and a new PCIe Gen 4 native controller for killer throughput and IOPs.

Intel SSD D7-P5510 Review: Ultra-Fast PCIe 4 Enterprise Storage

Intel has previously called the Optane SSD P5800X the “world’s fastest data center SSD”. That data center designation usually meant drives were destined only for big-iron servers and ...

Intel Optane SSD P5800X Review: The Fastest SSD Ever

Intel announced they would not be continuing their Optane retail drives for consumer consumption a short time ago. This announcement left many enthusiasts disappointed because if you want the best ...

Intel SSD DC P5800X 800GB Review - World's Fastest SSD

Before, Intel only allowed data centre customers to even look ... level as some of today’s fastest NAND-based PCIe 4 solid-state drives, but they do exceed 7GB/s, which is still extremely ...

Intel allows SSD Optane for workstation users

The toughest benchmark available for solid state drives is AS SSD as it relies solely on incompressible data samples when testing performance. For the most part, AS SSD tests can be considered the ...

Intel Optane DC P5800X PCIe 4 NVME SSD Review – SSD Perfection Via Throughput, IOPS and Latency

Les Solid-State Drive (SSD) bénéficient régulièrement de mises à jour de leur logiciel interne (firmware) afin d'améliorer leurs performances et leur compatibilité. Pour effectuer cette mise à jour ...

Application Intel Data Migration Software 3.2 build 12640

2 standard allows for bigger SSD capacities and uses your computer's PCIe x4 slot to send all that data back and forth. The Intel 750 series includes a cable so you can mount the drive in the bay ...

Best SSDs 2021: the top solid-state drives for your PC

Key players profiled in the report include Intel Corporation ... for Solid State Drive (SSD) Market and related technologies. 2) Analyses of global market trends, with data from 2015, estimates ...

Solid State Drive (SSD) Market Share, Size, Growth, Key Companies, CAGR Status by 2028

The high cost of the Intel Optane SSD 905P might be off-putting at ... This configuration allows the drive to “stripe” data across two disks, splitting the workload between drives to reach ...

The best SSDs for 2021

Report findings claim that exceptional rise in the number of data centers across telecom, IT, and retail sectors is propelling North America solid state drive industry growth ... Corp.), Kingston ...

North America Solid State Drive Market Trends- Industry Analysis, Share, Growth, Product, Top Key Players and Forecast 2026

The Rocket XTRM-Q 16-TB external SSD is certified by Intel for use with Thunderbolt ... RAID 0 (optimized for speed), RAID 1 (copies data to both drives as a failsafe) or JBOD (writes to one ...

Sabrent focuses on capacity and speed with latest Rocket external SSD

AEye announces it is working with NVIDIA to bring AEye's intelligent sensing to the NVIDIA DRIVE autonomous vehicle platform for Autonomous Driving ...

AEye's Intelligent LiDAR Now Available on the NVIDIA DRIVE Autonomous Vehicle Platform

Lenovo laptops with the latest Intel silicon are on sale right now. Lenovo recently refreshed many of its laptop lines with 11th-gen Intel processors, the latest Wi-Fi standards and enhanced security ...

Best Lenovo laptop deals: Latest ThinkPads are half off right now

With VDI FC Monday Login, the DC1500M placed fourth (though right behind the DC1000M and Intel P4510 ... of the company's budget-friendly NVMe SSD line for data centers. It is the successor to the ...

Kingston DC1500M U.2 NVMe SSD Review

We already know that Dell makes a lot of good laptops, and we've already got a roundup featuring some of the best Dell laptop deals. But what about the XPS lineup itself? This is the cream of the Dell ...

The best Dell XPS deals in July 2021

Sabrent has a well-earned reputation for being first to market with the biggest baddest solid state ... of data written in real-time. JBOD (spanning) is not RAID per se, but rather both drives ...

Sabrent XTRM-Q 16TB Portable SSD Review - Biggest & Fastest Available

and stored sequentially in independent zones within an SSD. Without the need to move and rearrange data, ZNS SSDs can significantly reduce the number of write operations, lowering the drive's wr ...

Samsung Introduces its First ZNS SSD with Maximized User Capacity and Enhanced Lifespan

On our Test Bench today is the newest Intel SSD Optane P5800X PCIe ... (so long as you DON'T open it) with a 100 drive write per day (DWPD) rating. Want to try something interesting? Find any other ...

Intel Optane DC P5800X PCIe 4 NVME SSD Review – SSD Perfection Via Throughput, IOPS and Latency

Les Solid-State Drive (SSD) bénéficient régulièrement de mises à jour de leur logiciel interne (firmware) afin d'améliorer leurs performances et leur compatibilité. Pour effectuer cette mise à jour ...
