by Charlotte Neale. 01/10/2014. 0. The media influences so many people's behaviour nowadays. Information can be spread after a few clicks of a button, whether it is true, false, speculation or gossip. This can affect relationships in various ways, be it between celebrities and ordinary people or between celebrities themselves and their loved ones. The media can manipulate, influence, persuade and pressurise society, along with even controlling the world at times in both positive and ...
