Toys, people! Who doesn't love toys? They make you smile, give you something to squeeze and hug, and can even sit on the couch and watch TV with you. But could the toy be a couch, or an old-fashioned television? Is that too weird? Not if the toy is mochimochi, the super-cute and strange knitted toys author Anna Hrachovec created after falling in love with the bizarre character designs that are popular in Japan. A mochimochi can be anything, from fearsome baby gators to pigs with beehive hairdos, from the toe-nibbling monster slippers to an assortment of itty-bitty hamsters, micro mountains, and human beans complete with comb-overs! And what knitter doesn't need a diversion from the usual socks, hats, and scarves? Many of these toys take less than an hour to make. Don't worry, even a beginner can learn to knit mochimochi. If your toy comes out a little lumpy, it'll only add to its personality! Whether it's a bite-free bed bug, a smiling smokestack, or a grouchy couch--these 20 toys are quirkier than teddy bears but every bit as adorable.

Funky Lunch started out from a very simple place - the desire of a loving father to turn an ordinary lunchtime sandwich into something a bit different in order to encourage his children to eat a varied and healthy lunch. Its creator, Mark Northeast, thought it would be fun to post a few pics on the web and start a blog. But then he got spotted by the PR for the Metro group of newspapers and then the Daily Mail, and then the rest of the world's press and then came an appearance on ITV's This Morning and then commissions for BBC's Children in Need and even an appearance on Blue Peter. Every parent knows how stressful meal times can be. Young minds need inspiring and this is exactly what Funky Lunch sets out to do. The book features many of the very best Funky Lunch sandwich ideas, from simple farmyard creatures and cucumber crocodiles to favourite characters from the world of children's TV, as well as some fun and creative interactive spreads to help get the little ones involved in choosing and making their own lunch.

Super Mario Coloring book Enjoy and let your creativity out by coloring these awesome designs. From the author of the incredibly original Knitting Mochimochi comes a delightful collection of supersized, quick-and-easy knitted toy creations sure to please knitters of all ages. Bigger sometimes does mean better. In Teeny-Tiny Mochimochi Anna Hrachovec charmed knitters with her adorable miniature Mochimochi Land creatures. In Huge + Huggable Mochimochi she gives us knitted toys with even more to love. With 20 large-scale projects, from a massive monster truck to a pirate pillow pal and a super-cute bag buddy that converts from knapsack to shoulder bag, these playful knits make wonderful gifts and whimsical decorations. Anna also explains how to size the projects up or down so the knitter can customize each piece as desired.

What do a talking doughnut, a crabby politician, and a lovelorn balloon have in common? They're all citizens of the candy-colored knitted world known as Mochimochi Land. Adventures in Mochimochi Land started out as a collection of tiny knitted characters, but as the patterns grew they needed an entire world of their own, complete with knitted cities, knitted forests, knitted oceans, and most important, knitted friends! The book follows the adventures of a tiny knitted explorer, as he travels this unbelievably cute world and uncovers its strange yarn-based origins. For intrepid knitters, the book also includes a section with 25 all-new patterns for the characters and props used in the stories. The patterns use small amounts of yarn and beginner-friendly knitting skills and knit up quickly for instant fun.
