What Reverse Harem Is and Isn't- YES - Reverse Harems always include one main female character and more than 3 men that are all love interests. o NO - Two men is considered a menage, so that's not technically a reverse harem. Seven men. One for every day of the week. A story too sexy to pass up. Chicago University newspaper is going under. I need to save it. Everyone says sex sells, and what is sexier than a polyamorous relationship? One woman. Multiple men. Now that's how you sell papers. But my plea for such a woman to come forward to an interview has unexpected consequences. All I get are Dirty sexts asking if I want first-hand experience. I shouldn't give up my v-card and get involved with seven men. I'm not that desperate to save the paper. Or am I? The men pursuing me are making it hard to say no, as they start to become my secret fantasies every day of the week for different reasons. Mr. Monday's bold and says precisely what's on his mind. Mr. Tuesday's sensitive and listens to my every need. Mr. Wednesday's compassionate, the kind of guy who knows what he wants but doesn't just take it. Mr. Thursday knows how to spice things up. Mr. Friday's tall, dark, and handsome, his sultry eyes always have me coming back for more. Mr. Saturday's always wants to be in control. Mr. Sunday's quiet and mysterious, an enigma that I can't wait to unravel. I always knew I would have to go all-in to become a respected journalist. The more I talk to them, the more I want to know them not only online, but offline too. They are promising to do things to me that are so dirty; I can't sleep at night. I never imagined all-in would mean sacrificing myself for a story. Especially, with the bully writer, who's jealous of the attention that my stories keep getting. I need to keep it a secret if I do decide to play out my fantasies because if the truth comes out, I don't know if we will all survive the wreckage. Author's Note: Daily #teXXXt is a stand-alone reverse harem with a mixture of bullying, romance, humor, and even suspense. This is an MMFMMMMM book with over 80,000 sizzling words, with no MM scenes. There's no cliffhanger and no cheating. There are multiple partner scenes, so make sure that not only is your Kindle ready, but you have a towel nearby too

The USA TODAY bestselling beginning to the NEIGHBORLY AFFECTION series. She expects dinner with neighbors—but gets sex with a side of safewords. Fantasies about her sexy neighbors spice up Alice's nights, even a year after she's moved in. She can't decide whether the men are roommates or partners, but either way, they spark a wanton desire in this mechanical engineer that has her imagination—and vibrator—working overtime. Henry, director of everything around him, studies human nature and applies philosophies to his paintings as well as his relationships. Quirky and polite to a fault, he follows his own code of honor even when it means denying himself. Charming and playful, Jay craves stability, guidance, and the chance to please others. His antics counterbalance Henry's formal ways and bring vulnerability and fun to the trio's adventures. BDSM play with the enigmatic artist and flirtatious joker across the hall allows Alice to quiet the too-logical mind that has kept her unsatisfied and distant with other lovers. She must reconsider her notions of love, submission, and independence if she's to find a permanent place in their bed and hearts.

It's company policy: don't sleep with your employees. No matter how handsome and flirty they may be. Yet when my promotion puts me in charge of the three of them? That policy is going to be hard to follow. Liam, the chestnut-haired boy-next-door I've flirted with for five years--and who is finally single. Arthur, the suave French accountant who pronounces my name like it's an expensive wine. Robbie, the bashful computer nerd whose chiseled body and sleeve tattoos hint at something deeper. The four of us have to finish our big project by Christmas. Which means my gorgeous employees are totally off-limits. But that just makes our professional relationship even more tantalizing. Especially as we start working long hours in the office. With our careers on the line, can we ignore the growing attraction between us? Or will we all end up on Santa's naughty list? THE NAUGHTY LIST is a sizzling, stand-alone Reverse Harem love story that is sure to fill you with holiday cheer. HEA guaranteed!

"Marin Rush loves studying sex. Doing it? That's another story. In the research lab, Marin's lack of practical knowledge didn't matter, but now that she's landed a job at The Grove, a high end, experimental sex therapy institute, she can't ignore the fact that the person most in need of sexual healing may be her. Dr. Donovan West, her new hotshot colleague, couldn't agree more. Donovan knows that Marin's clients are going to eat her alive unless she gets some hands-on experience. And if she fails at the job, he can say good-bye to a promotion, so he assigns her a list of R-rated tasks to prepare her for the wild clientele of The Grove's X-wing. But some of those tasks are built for two, and when he finds Marin searching for a candidate to help her check off her list, Donovan decides there's only one man for the job him. As long as they keep their erotic, off-the-clock activities strictly confidential and without strings, no one will get fired or worse, get attached.."-
