The Associated Press erroneously reported that failure to pass the legislation could hold up a pay raise for the military. The 3 percent yearly pay raise for the military is automatic.

Military families with children face many of the everyday challenges that those families not in the military face, but they also face other challenges that the rest of us don ' t. This book looks at the special issues and concerns of military families raising children and provides support and resources for those families.

Military life places unique demands on military families with children including frequent moves, disruptions in schooling, family separation, health care issues, loss of friends, financial hardships, underemployment of military spouses, and the ever present threat of risk of injury or death of loved ones deployed. But learning how to navigate these challenges can help prepare families for those events as they arise. Here, the authors have assembled information about common problem areas and have included detailed information about solutions and resources available. The information in this guide has been carefully gathered from hundreds of sources and resources and includes the most up to date information about child services and benefits from the Department of Veterans Affairs, allowing serving members of the military with children to quickly access information that they need regarding all aspects of child care, from raising a family to education, and from coping with constant moves to grief counseling. It also covers other critical issues such as wellness, family solidarity, benefits, insurance and problems such as addiction and domestic violence. Readers will gain a better understanding of what child services and benefits are available and how to obtain them as well as secrets for successful relationships and family bonding.

Understanding the needs of children and families especially during times of military deployment : hearing before the Subcommittee on Children and Families of the Committee of Health, Education, Labor and Pensions, United States Senate, One Hundred Eighth Congress, first session on examining how effective the Army has been in making it easier for military families raising children and to dete

"Military life offers special challenges to normal family life -- the author presents the realities, offers some solutions, and discusses the set of skills that one can acquire."

Supporting military families: the Groton model: hearing before the Subcommittee on Children and Families of the Committee on Health, Education, Labor, and Pensions, United States Senate, One Hundred Eighth Congress, first session, on examining how effective the Navy has been in making it easier for military families raising children and to determine what additional changes can be made to f

Nearly 1.9 million U.S. troops have been deployed to Afghanistan and Iraq since October 2001. Many service members and veterans face serious challenges in readjusting to normal life after returning home. This initial book presents findings on the most critical challenges, and lays out the blueprint for the second phase of the study to determine how best to meet the needs of returning troops and their families.
