If you have busy days coming up, it might be time to come up with a detailed activity log. It is a lot like a to-do list, and can be for a particular day, week or even month. However, a to-do list is very specific and is usually limited to one particular activity or a particular day. The term activity log has a wider scope, really! In order to make a note of your activities, you should use an ...

Field notes are widely recommended in qualitative research as a means of documenting needed contextual information. With growing use of data sharing, secondary analysis, and metasynthesis, field notes ensure rich context persists beyond the original research team. However, while widely regarded as essential, there is not a guide to field note ...
