~~Strangers—Yamada Taichi—
Complete Review~~

Strangers is one of those rare novels that can be enjoyed on many different levels. It may simply be read as a gripping ghost story, but it also contains many layers beneath the surface and with thought it quickly becomes more complex than it initially appears. This book encapsulates everything I love about Japanese literature.

~~Taichi Yamada - Wikipedia~~

Strangers is quite a creepy book, a ghost story but Japanese and therefore very different from ghost stories in the Western tradition. I think it would be a spoiler to tell exactly how the book is different so I'm just going to attempt to keep this short and tell you about the writing, the characters, etc. Writing-wise, the book is a translation but very well done.
