parables that have taught millions how to achieve financial success—now available in this beautiful collector's edition. Anyone can build wealth and create the life they envision for themselves if they enlarge their financial understanding. As George S. Clason said, "Our acts can be no wiser than our thoughts. Our thinking can be no wiser than our understanding." A successful entrepreneur, Clason translated his knowledge of sound financial principles into parables set in ancient Babylon. More relevant today than ever before, these tales provide straightforward lessons in the laws that govern the building of wealth. Clason's dynamic storytelling will transport you into the Babylonian empire at its apex, where the basic principles of personal finance were born. There you'll discover why some individuals amass riches while others become slaves to their impulses. Taken
