A “delving, haunted, and poetic debut”
(The New York Times Book Review)
about the awe-inspiring lives of
whales, revealing what they can teach
us about ourselves, our planet, and

Download Free The Whale A Bright New Boise

our relationship with other species. When writer Rebecca Giggs encountered a humpback whale stranded on her local beachfront in Australia, she began to wonder how the lives of whales reflect the condition of our oceans. *Fathoms: The World in the Whale* is “a work of bright and
