Having courage means facing your fears (even if you're trembling all the way) for the sake of growth. Being brave will always lead to growth, because you'll have expanded your boundaries and enriched your life with new experiences. But, as with many things, being brave might be easier said than done.

~~How to Be Brave: 6 Tips for Embracing Fear and Living the ...~~

The Oxford dictionary primarily defines 'brave' as the following: Ready to face and endure danger or pain; showing courage. From the definition, I wager there are two parts to being brave - the ability to endure, and courage. To this wager, I add that when one is brave, two of these qualities have to co-exist, and they are both of equal importance.

A man of Native American descent contemplates what lessons he will pass on to his newborn son in this heartfelt, expansive exploration of fatherhood, identity, and legacy. Based on the true story of the birth of his son, Be Brave, Be Brave, Be Brave recalls the thoughts of author F. Anthony Falcon upon holding his child after the baby and his wife endured a life-threatening labor during Hurricane Harvey's landfall in Corpus Christi, Texas. Having felt adrift from his Native roots, Falcon found himself with a deep desire to understand his heritage so that he might better bestow it upon his son. A meditation on what it means to "be brave," this is the tale of little Lakota's perilous arrival into the world, of Falcon's struggle to reconnect with a heritage that was lost to him, and a father's attempt to describe what it means to be a Native American man in America today.

Chosen as one of the best YA Novels of November by Bustle.com A Buzzfeed YA Book To Watch Featured on School Library Journal's Size Acceptance YA List Georgia has always lived life on the sidelines: uncomfortable with her weight, awkward, never been kissed, terrified of failing. Then her mom dies and her world is turned upside down. But instead of getting lost in her pain, she decides to enjoy life while she still can by truly living for the first time. She makes a list of ways to be brave—all the things she's always wanted to do but has been too afraid to try: learn to draw, try out for cheerleading, cut class, ask him out, kiss him, see what happens from there. But she's about to discover that life doesn't always go according to plan. Sometimes friendships fall apart and love breaks your heart. But in the process, you realize you're stronger than you ever imagined... This fearless, big-hearted, deeply moving book will make you laugh, cry, and inspire you to be brave.

All the stories died that morning ... until we found the one we'd always known. When nine-year-old Rose is diagnosed with a life-threatening illness, Natalie must use her imagination to keep her daughter alive. They begin dreaming about and seeing a man in a brown suit who feels hauntingly familiar, a man who has something for them. Through the magic of storytelling, Natalie and Rose are transported to the Atlantic Ocean in 1943, to a lifeboat, where an ancestor survived for fifty days before being rescued. Poignant, beautifully written and tenderly told, How To Be Brave weaves together the contemporary story of a mother battling to save her child's life with an extraordinary true account of bravery and a fight for survival in the Second World War. A simply unforgettable debut that celebrates the power of words, the redemptive energy of a mother's love ... and what it really means to be brave. 'It's a gentle book, full of emotion and it's similar in tone to The Book Thief, a book that Rose reads with a torch under the bedclothes.' The Irish Times 'Moving, engrossing and richly drawn, this is storytelling in its purest form ... mesmerising! Amanda Jennings 'An amazing story of hope and survival ... a love letter to the power of books and stories' Nick Quanttrill 'Two family stories of loss and redemption intertwine in a painfully beautiful narrative. This book grabbed me right around my heart and didn't let go' Cassandra Parkin 'Louise Beech is a natural born storyteller and this is a wonderful story' Russ Litten 'Beautifully written, intelligent and moving, this book will stay with you long after you reach the end' Ruth Dugdall

I was a prideful, egotistical, selfish, addicted to pornography frat guy. A tantrum throwing brat of a child. I was put in handcuffs by throwing too many punches in bars. Women and partying made it easy to throw away my talents as a college football player. I was dumped by my dream girl and decided to drink and snort my whole business down the drain. On the verge of suicide. I found Jesus Christ. These are my stories.

Celebrate the courage and bravery in every child with Be Brave Little One, from the bestselling author of If I Could Keep You Little. Perfect for cheering someone on, this story affirms how bravery can show up in all different ways! When I look at you, shining bright as the sun, I wish for you this... be brave little one! Share this inspiring message at every special occasion in a young child's life! Be Brave Little One makes for the perfect: Baby shower gift Preschool graduation gift Kindergarten graduation gift First day of school gift When times are tough, this is the perfect preemie or NICU baby book for families seeking an encouraging and heartfelt message of bravery.

Annie Downs admits she's not exactly the bravest girl in the world. She still cries sometimes when she leaves her parents' home in Georgia, she's never jumped out of a plane, and she only rides roller coasters to impress boys. But Annie knows that courage resides inside each and every one of us, and she's on a mission to triumph over her own fears while encouraging the reader to do the same. As a single young woman, writer, speaker, and blogger, Annie Downs shares her journey toward bravery with honesty and humor. Using wonderful stories from her own life, contemporary real-life examples, and fascinating historical and biblical references, Annie encourages readers to grab hold of the brave life that they desperately desire. How often does fear hold us back from the very things we most want to taste, touch, and experience? The call to be brave isn't just for one person—it's for everyone. Let's All Be Brave is more than a book, it's a battle cry. Annie challenges us to live boldly, she calls us to step into those places that require courage, and she gives us the help to take the next step forward—even when it's scary. This non-fiction, essay-driven book opens the door to many different views of courage—nudging, encouraging, and inspiring readers to be brave whenever given the chance. Let's All Be Brave features: • Funny/interesting stories that draw readers into each chapter • God's surprising answers to finding courage and boldness • Challenging questions and advice to help readers make real-life changes to live fully and glorify God more every day. The companion Web site (www.letsallbebrave.com) offers more resources and an opportunity for readers to share personal stories of courage with others.

This is the story of Susan Travers' remarkable life, from her childhood in England, her girlhood in inter-war Europe, her decision to join the Free French in search of adventure, her part in the North African campaign and her time after the war in the Foreign Legion as the only woman to join it.

Illustrations by a lettering artist and easy-to-read text reveal a child's bedtime promise to strive the next day to be adventurous, strong, curious, and more.

In the disorderly evacuation of Southampton, England, newly married Ellen Parr finds a small child asleep on the backseat of an empty bus. No one knows who little Pamela is. Ellen professed not to want children with her older husband, and when she takes Pamela into her home and rapidly into her heart, she discovers that this is true: Ellen doesn't want children. She wants only Pamela. Three golden years pass as the Second World War rages on. Then one day Pamela is taken away, screaming. Ellen is no stranger to sorrow, but when she returns to the quiet village life she's long lived, she finds herself asking: In a world changed by war, is it fair to wish for an unchanged heart?

Previously published as Honey Cake. An approachable introduction to World War II for ages 7–10. David Nathan's home in Copenhagen has always been filled with laughter, family, and his father's famous pastries. But life has changed since Nazi soldiers arrived. Sweets are scarce. His parents are worried. And even though David wants to be brave, the soldiers and their new rules have made everyone nervous. Then one day, David is asked to keep a very special secret. It could get him into trouble . . . maybe even danger. But if David shows courage, this secret could save many lives. History Stepping Stones now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction. Perfect for home, school, and library bookshelves!
