Although we have

they have not

We both have

Wait Avoid The
7 Wealth Traps
What does it
take to say “F-
it!” and really
mean it? To walk
away from the
circumstances
that have you
stuck in
neutral, or
worse, headed in
the wrong

Where To Download

direction? To
reroute your
life along a
smoother path
toward success?
To live an
“F”-It-Less
life? Have you
ever just thrown
your hands in
the air and said
“F”-It!?! Been
tempted to give
in to someone or

Where To Download

something you've
been resisting?

Or worse, found
yourself backed

into changes,
circumstances,

or even a life
you didn't ask

for? If so, you
are not alone.

But thankfully,
there is now a

powerful way to
never have to

Where To Download

say “F-It!”

again. It begins
with reframing
the ‘f’ word.

. and ultimately

leads to
reframing your
life. It’s a

method designed

to help you
choose the life

you want to
live, rather
than blindly

Where To Download

accepting the
one you've got.
Shaun Rawls,
popular

motivational
speaker and
founder of
Atlanta's #1

real estate
firm, devised
this method

during one of
the most trying,
yet triumphant

Where To Download

periods of his
life. In “F”—It
Less he offers a
whole new
lexicon of F—
words more
powerful than
the one we all
already know. By
employing each
thoughtfully and
practically in
your life you
can begin to

Where To Download

craft the
existence you've
always dreamed
of. During his
own
transformation,
words such as
'fragmented',
'frustrated',
'fractured', and
'failed' helped
him identify
where he was in
the moment and

Where To Download

to earnestly
assess where
he'd gone wrong
in the past. In
time he enjoyed
days that were
'fine' or even
'fantastic'.

Prioritizing
words such as
'float,'
'family,'
'faith,' 'fun,'
and 'freedom,'

Where To Download

reminded him of his destination, while words such as “find,”

“forgive,”

“forget,” “fix,”

and “foxhole” helped him to

get there

faster. What he

discovered is

that these F-

words can draw

us back into

Where To Download

alignment with
our purpose and
goals, enabling
us to live a
more intentional
and rewarding
life—the life of
our dreams. In
this infinitely
empowering book,
Rawls shares
both his story
and his method
with you, boldly

Where To Download

encouraging you
to use these
words to examine
your own life

too—to see if it
is one you
consciously
crafted or one

you simply
allowed to
unfold. To

decide whether
you're living
how you really

Where To Download

want to live or
if there is
still much more
work to be done.

He challenges
you to truly
listen to your
heart and gut,
and to honestly
acknowledge the
areas of our
life where
you've
compromised love

Where To Download

and happiness
for money,
safety,
security, or
worse, fear. He
coaxes you not
to let our best
life pass you
by, but rather
to proactively
attain the life
you really want.
By sharing some
of his greatest

Where To Download

lessons, Rawls
aims to help you
avoid some of
the same

obstacles he's
encountered and
to live what he
refers to as an

"F-it-less"
life—the life
we're all

entitled to
discover,
explore, and

Where To Download

fulfill for
ourselves.
Saying, "F-It!"
doesn't always
have to mean you
are giving in or
giving up. With
the right tools,
it can actually
mean you are
ready to pursue
a better life—
one of greater
ease, meaning,

Where To Download

and purpose. A
truly F-It-Less
life.

"In the dark,
bewildering,

offering a

words of

and the tools to

-- Malachi
Rempen:

Filmmaker,

ruffian This

book grew out of
a series of
letters to my
daughter

concerning
various things--

Where To Download

mostly about
money and
investing—she
was not yet
quite ready to
hear. Since
money is the
single most
powerful tool we
have for
navigating this
complex world
we've created,
understanding it

Where To Download

is critical.

"But Dad," she once said, "I know money is

important. I just don't want to spend my life thinking about

it." This was eye-opening. I love this stuff.

But most people have better things to do

Bridges to

forced into
their waiting

important truth:
Complex

exist only to
profit those who

them. Not only are they more costly to the investor, they are less effective. The simple approach I created for her and present now to you, is not only easy to understand and implement, it is more powerful

than any other.

Together we'll
explore: Debt:

Why you must

In nearly every

are all aware of
the gap between
the rich and

but when we

business

stepped in to
exploit it,
shifting

increasingly

everyone else
must contend
