A woman forever scarred... Emily was a captive in The Collection for five long years, enduring torment and anguish the likes of which no soul should have to bear. Now rescued, she's struggling to put the past behind her, to assimilate in a world where most will never know the evil often lingering beneath the superficial façade. Worse, she burns to avenge herself against the man who subjugated her again and again during her confinement—a man bent on getting her back. A man forever devoted... Kayne has wanted Emily for what seems a lifetime. Before they were ripped apart, theirs was an epic love, one Kayne knows is worth saving, rebuilding. Alongside her brother, Kayne searched for Emmy for years, and no amount of insistence on her part will push him away now that he's found her. Tender patience will help her heal—if her vendetta doesn't get her killed first. Satisfaction reaped from revenge is fleeting, but personal demons linger. Will Emily fight them? Or allow her flaws to overshadow her strengths, denying herself that which Kayne desperately wants to give?

Notable TikTok creator Michaela Angemear explores connecting with your inner child, loving the worst parts of yourself, coming out as bisexual, and focusing on self-growth in her much-anticipated poetry collection. Please Love Me At My Worst is a collection of four sections of poetry inspired by loneliness, unrequited love, and not being able to let go of past relationships. Written during the 2020 COVID-19 quarantine, the book is a reflection of what it means to yearn for people who are unavailable and how important it is to focus on self-love and healing.

Everyone knows the only thing more painful than relationships is not having them--or is it the other way around? Whatever, says author and cartoonist Nick Galifianakis. In his first book, If You Loved Me, You'd Think This Was Cute: Uncomfortably True Cartoons About You, he makes the case that either way, the only recourse is to embrace our frailties and laugh. Taken from Carolyn Hax's nationally syndicated advice column, this compilation spins the pain of dating, mothers-in-law, "beneficial" friends and more into ... the pain of self-recognition. The intricately drawn pen-and-ink panels and pointed captions explore some of life's most uncomfortable truths, exposing the humanity in our mistakes, the underbelly of our triumphs and the sheer heroism of trying and trying again. Throughout this character study of men and women (and the dogs who love them), Galifianakis mines our hopes and insecurities for a unifying truth: If we can't laugh at ourselves, he'll do it for us. "Nick snuck me into my first comedy club when I was only a back-acted teenager. The back acne went away but the comedy stuck. I know that last sentence sounds like a lyric from a Joan Baez song, but trust me, it's original." --Zach Galifianakis, from the foreword "Nick's cartoons are funny, witty, and smart. But what makes them so special are how universal and true they are, making the laughs they bring all the more poignant. Relationships, in all their glory, have never been captured quite so succinctly and with such charm." --Amy B. Harris, writer/producer for Sex and the City "Nick Galifianakis understands relationships unbelievably well, for a guy. My guess is he actually menstruates." --Gene Weingarten, two-time Pulitzer Prize winner, Washington Post humor columnist
